

SA/XR20

SA/XR30

Extended Rears

These optional rear panels provide extra depth and even better ventilation than our standard rear panels. All rear panels are easily removable with thumbnuts for quick components access.

- Constructed of heavy-weight black powder-coated steel with ventilation louvers.
- Provide an extra 3.5 inches (23.5") of inside cabinet depth for larger components.
- Can be used in conjunction with standard rear panels.

Finish: Black

Exterior Dimensions:

SA/XR20 - 22.25" W x 17.75" H x 3.5" D

SA/XR30 - 22.25" W x 27.75" H x 3.5" D
