## **Salamander Designs Extends its Popular C-Frame System to Include New Style: Milan**

**(Bloomfield, CT) June 9, 2017** – Salamander Designs, Ltd., a leader in premium quality residential and commercial audio/video furniture solutions made in the USA for over 25 years, announces the introduction of the new custom cabinet style, Milan. This style is an addition to the C-Frame System. That system encompasses A/V cabinets that combine art and technology in sophisticated designs that will fit in almost any decor.

In keeping with modern design trends, Milan is a sleek design with future forward geometric three-dimensional, diamond pattern. Finished in white and complemented by variety tops; black or white solid surface top or black or brown glass tops. The durable chassis and adaptable bays provide a “solutions” approach for all your current and emerging AV storage and mounting needs.

As with all Salamander Designs, the Milan is made with eco-friendly materials and engineered to perform. The C-Frame system is available variety of configuration in a 12” deep, Low Profile Wall Mount Cabinets or 22” deep Credenzas ranging from single bay cabinets to 6 bays. Cabinets can be configured to suit any need, such as an integrated display mounts for complete commercial office solutions. Milan doors can also be purchased separately and swapped into an existing system. Jump on board with Milan. Starting at \$3799.
