

## Salamander Introduces Olivia Seating

*Innovative design combines the conveniences of traditional theater seating with the sofa-like comfort and modular flexibility to suit any room, any décor*

**Bloomfield, CT July 9<sup>th</sup>, 2012** — Salamander Designs, Ltd., a leader in premium quality audio/video entertainment furniture, home theater seating and accessories such as accent lighting and wall hanging systems has announced the introduction of the Olivia seating collection. Olivia provides the features users expect from theater seating—such as chair modules with optional cup holders and a choice of motorized, manual or non-reclining backs—with the inviting comfort of an elegant sofa. Olivia is available in a range of materials and thanks to Salamander's new Custom Details program, customers can choose from a matching or contrasting double-needle stitch.

Born to perform, Olivia is the perfect blend of versatility and contemporary design. This inviting modular sectional boasts enormous flexibility, allowing for a variety of sizes and configurations. Olivia is the ideal choice for a media room, family room, or great room where everyone gathers to enjoy the home theater experience. The available cozy chaise and corner connectors easily create "L" shaped arrangements that enable Olivia to function both as a luxurious pillow-clad sofa as well as a destination for a movie or the big game. Stylish two-tone covers provide even greater design flexibility for the Olivia collection.

#### **Olivia Materials**

The Olivia line is available in custom made leather covers that reflect your décor and personal style. Olivia is also available in a revolutionary synthetic fabric called Veluto, which is soft to the touch like old time theater seating. Veluto takes a classic style and amps it up with a contemporary look and feel. This durable low-nap fabric offers the perfect blend of comfort, style and practicality.

#### **Custom Details**

Whether you select traditional leather or durable Veluto, Olivia is available with matching or contrasting double-needle stitching (depending on the materials selected) to accentuate the fine details on your handmade seating.

#### **Custom Pillows**

Salamander offers a collection of pillows to perfectly complement your entertainment seating. Available in several sizes and finish options, you can use the color and flare of throw pillows to further personalize your Olivia seating.

#### **Salamander Quick-Ship Program**

Our 15-Day Quick-Ship program lets you enjoy your new entertainment space sooner – not later. Built completely in the USA to meticulous quality standards, Olivia seating is backed by a limited lifetime warranty and dependable customer service.

#### **About Salamander Designs**

Salamander Designs, Ltd. is a leading manufacturer and marketer of furniture for the Consumer Electronics and Audio/Visual markets. Its versatile, advanced product lines feature a high level of configurability and customization that allow consumers to define specific product configurations to meet their needs. Salamander's AV furniture lines include the Chameleon Collection, with a wide array of styles and configurations, the Archetype System—a unique open shelving system, the modular Synergy System that enables consumers to create an almost limitless number of possible product configurations, and a handsome Home Theater Seating line that can be similarly customized with a variety of materials, styling options and accessories. Salamander also makes a wide variety of accessory products such as accent lighting, cabinet wall mounting systems, pull-out media drawers, cabinet footings and mounting systems for flat-panel displays. In short, Salamander can accommodate almost any design preference and A/V requirement. [www.salamanderdesigns.com](http://www.salamanderdesigns.com)
